Sir,

A telephonic interview was conducted between Examiner Rosanne Kosson and the undersigned. Possible amendments to the claims to put the claims in condition for allowance were discussed. Examiner Kosson indicated that no firm indications of allowability would be possible until an allowance conference was held. Examiner Kosson expressed her Examiner's opinion that the claims appeared to obviate the outstanding issues except for double patenting.. Applicant stated that if the proposed amendments were acceptable, a Terminal Disclaimer could be filed.

**Fees**

No fees are believed to be necessitated by the instant response. However, should this be in error, authorization is hereby given to charge Deposit Account no. 18-1982 for any underpayment, or to credit any overpayments.

Respectfully submitted,
